

### 3 Sponsoring Distributors

Sponsoring distributors begins from the Business Center home page under the menu item **My Business**. Place the cursor on My Business to display the dropdown menu, and then move it down to click **Sponsor Distributor**.

The first option is to select the country of the new Distributor, which will be the country in which he or she lives—either the United States or Canada. Use the dropdown menu arrow to reveal and select the available countries.

The second option is a choice the new Distributor has to make when signing up with E. EXCEL: Whether to 1) join as a COE with the purchase of an Excelerator Pack; 2) join as a COE with a custom order; or 3) join as a Distributor with the purchase of a Distributor Kit. This completes **Step 1**.

When you elect to join E. EXCEL as a Club of Excellence Member with the purchase of an Excelerator Pack, the application screen has additional steps to complete. Simply scroll down the page to view the remaining steps.

### Step 2: Enter Sponsor Information

Your ID number should appear in both the **Sponsor ID** and **Referring Sponsor ID** fields, and your name should appear

under it. To change either of these fields, type the correct E. EXCEL ID numbers in the individual field. Then click the corresponding button, **Verify Sponsor** or **Verify Referral**, as needed. When you do, the name of the person whose ID number you entered in the field will be displayed. If this is NOT the sponsor desired, re-enter the correct number and click the verify button again.

### Step 3: Applicant Information

Enter the information as requested. Fields shown with a red asterisk (\*) are required and must be completed. The other fields are optional.

The **SIN** field shown here is for Canadian applicants and requires their Canadian Social Insurance Number. For US applicants, the field will change to **SSN** for the applicant's Social Security Number.

*Please note:* Applicants joining under a business name must complete the Business Entity form as well. Click the link indicated to download the Business Entity form and submit it in as indicated on the form.

An email address is required; however, if you do not want to receive information by email from E. EXCEL, simply check the box. By unchecking the box, you choose to receive email from E. EXCEL. When you do, you'll receive our weekly *E News* newsletter with all the most current information on E. EXCEL products, promotions and events!
