Cactus Essence Aqua Gel Facial Moisturizer

Questions & Answers

How will Cactus Essence Aqua Gel Facial Moisturizer benefit my skin?

When applied, *Cactus Essence Aqua Gel Facial Moisturizer* releases hydrating particles. They form a protective film barrier on skin that locks in moisture with its unique netted structure and releases stored moisture and nutrients into skin for long-lasting hydration. Skin feels resilient, hydrated and velvety smooth.

When should I use Cactus Essence Aqua Gel Facial Moisturizer?

Cactus Essence Aqua Gel Facial Moisturizer's refreshing texture and outstanding hydrating ability make it an excellent choice for daytime skin care.

What skin types is Cactus Essence Aqua Gel Facial Moisturizer suitable for?

Cactus Essence Aqua Gel Facial Moisturizer is gentle and moisturizing, making it suitable for the whole family. It is ideal for sensitive skin and acne-prone skin as it does not clog pores and is refreshing without any sticky feeling.

How do I use Cactus Essence Aqua Gel Facial Moisturizer?

Apply *Oxyginberry Essence Hydrating Facial Serum* before applying *Cactus Essence Aqua Gel Facial Moisturizer* to cleansed face and neck to nourish your skin with cactus extract and *Oxyginberry™ Complex* at the same time.

Does Cactus Essence Aqua Gel Facial Moisturizer have any sun protection function?

No. After using *Cactus Essence Aqua Gel Facial Moisturizer*, you should use at least an SPF 15 sunscreen.

Which products complement Cactus Essence Aqua Gel Facial Moisturizer?

Use with *Cactus Essence Facial Pore Refining Cream* in the day to reduce the appearance of imperfections. Care for skin at night with *Cactus Essence Hydrating Facial Lotion*.
