

E. EXCEL ELEMENTE®

Cactus Essence Hydrating Facial Lotion

Questions & Answers

How will *Cactus Essence Hydrating Facial Lotion* benefit my skin?

Unique cactus extract forms a moisturizing protective film on skin to deliver long-lasting hydration and increase skin's defense against environmental stress. This soothing lotion spreads easily over skin, leaving a comfortable, smooth sensation.

When should I use *Cactus Essence Hydrating Facial Lotion*?

Cactus Essence Hydrating Facial Lotion is your ideal nighttime skin care companion.

What skin types is *Cactus Essence Hydrating Facial Lotion* suitable for?

Cactus Essence Hydrating Facial Lotion is soothing and moisturizing, making it suitable for the whole family. It is ideal for sensitive skin and/or acne-prone skin because it does not clog pores and is refreshing without any sticky feeling.

How do I use *Cactus Essence Hydrating Facial Lotion*?

Apply *Oxyginberry Essence Hydrating Facial Serum* before applying *Cactus Essence Hydrating Facial Lotion* to cleansed face and neck. Let cactus extract and *Oxyginberry™ Complex* work overnight to nourish your skin.

Which products complement *Cactus Essence Hydrating Facial Lotion*?

Harness the power of natural cactus extract in the day with *Cactus Essence Aqua Gel Facial Moisturizer* for all-day hydration and nourishment, and *Cactus Essence Facial Pore Refining Cream* to reduce the appearance of imperfections.

Why are some E. EXCEL Elemente® product containers not full?

Net weight cannot be determined by merely looking at the containers. Committed to excellence and business integrity, E. EXCEL takes special care to ensure that each container contains the correct amount of product as per the net weight stated on the container.
