**PLEASE READ THE FOLLOWING CAREFULLY:** 1. E. EXCEL offers two types of incentives: (a) M.I. Business Initiative: Buy the specified product package, at the specified discounted price and reduced CV. (b) 300/600/900 Commission Volume (CV) Incentive: At 300 CV, 600 CV or 900 CV levels per order, you become eligible to receive free product(s), as specified by E. EXCEL. 2. Product incentive items, Excelerator Packs and sales tools do not apply to Commission Volume incentives. Specifically, CV from POLY5 purchases will not apply to the 300/600/900 Commission Volume incentive in June 2019. 3. To receive this incentive, you must meet the necessary requirements per order and not as a combination of orders. 4. All items in the Product Incentive packages for this month may be transferred at reduced CV. Transferrable CV for each incentive POLY5 is 79. 5. You may not return, exchange, or substitute Commission Volume incentives. 6. If the CV total of your order falls between two qualification levels, you will receive the incentive where you have fulfilled the necessary requirements. For example, if you have 400 in commission volume, you will receive the 300 Commission Volume (CV) Incentive; if you reach 700 commission volume, you will receive the 600 Commission Volume (CV) Incentive; and if you reach 1000 commission volume, you will receive the 900 Commission Volume (CV) Incentive. 7. This incentive only applies to orders received during June 2019. All orders must be readable and complete, and payment must be approved by 6:00 pm MST on Friday, June 28, 2019 to qualify for this incentive via fax or telephone. The deadline for orders placed online is midnight MST on Sunday, June 30, 2019. 8. THE PRODUCT INCENTIVE IS ONLY AVAILABLE WHILE SUPPLIES LAST IN JUNE 2019. ORDERS FOR THE PRODUCT INCENTIVE WILL NOT BE ACCEPTED ONCE AVAILABLE STOCKS ARE EXHAUSTED. 9. When qualifying for an incentive, the incentive must ship on the same order, and be placed on the same invoice that qualified you for the incentive. 10. These incentives draw upon the 3% incentive fund, which is a part of E. EXCEL's Compensation Plan for Distributors.
